COULD YOU HELP SHAPE THE FUTURE OF FRANKLIN SIXTH FORM COLLEGE?

WE'RE LOOKING FOR A PARENT GOVERNOR

As a parent, you know our students and our college from a unique parent perspective. You know what matters to students and families, and your experiences can help us ensure we're listening to our whole college community.

We're looking for an enthusiastic parent/carer to join our Governing Body and help us continue to give every student an outstanding sixth form experience.

WHY BECOME A PARENT GOVERNOR?

Being a Parent Governor, you'll have the opportunity to:

Share your views and bring the parent perspective to our Governing Body

Help shape important decisions about the college and its future

Support our commitment to outstanding education and student success to young people across our region

Strengthen the partnership between parents, students and Franklin

Work alongside governors and college leaders to help our community thrive.

YOUR PERSPECTIVE MATTERS

We believe the strongest colleges are built on strong partnerships between students, parents, staff, and governors. Parents and carers have an important role to play in helping us understand the experiences, aspirations and priorities of our wider college community.

You don't need to be an education expert or have previous governance experience, we're looking for someone who cares about our students, is willing to contribute, be involved and ask questions.

MAKE A DIFFERENCE. BE PART OF THE PARTNERSHIP.
